

Elementary Fine Arts (Grades 4-6) Registration Form – Due by Wednesday, October 13

Dear Parents,

Thank you for showing interest in having your student participate in the SCACS Fine Arts Festival, March 4th at Northside in Charleston. I hope this will be a wonderful growing opportunity for your student in many ways.

If your student is already in our school choir or band, our group is planning to perform and your student will be expected to participate. Otherwise your student may sign up for up to seven events. Our school may only enter two entries per category (exception for Academic Tests). Due to the nature of this Festival, preference for registrations in solo categories (music solo, speech solo, art entry) will be given to students who have not participated in that category before. Run-off auditions may also be used to narrow down to two entries. Art categories will be chosen from entries in the Art Festival.

If your student will not be participating in an individual or small group event, you do not have to turn this form in.

Please place a checkmark beside any event in the following list for which you are registering your student. Specific guidelines and rules will be sent home after registrations have been received. Please return this page to the school office or homeroom teacher by **Wednesday, October 13th**. **Registrations cannot be accepted after this date.**
