Attendance Policy (p.11 of Parent-Student Handbook)

Students are allowed up to ten excused absences and ten unexcused absences within a school year. Any student exceeding these totals may be asked to repeat the class/grade during summer school or the following year.

All absences must be accompanied by a note to be considered excused. All student absences not related to sickness must be pre-approved so that a student can obtain any class information/work needed. A note must be submitted to the school office the day the student returns from an absence related to sickness. We ask parents not to plan pre-approved absences during the last two weeks of each semester to avoid conflicts with exams and other end of the semester grading.
